Dear Sir:

I am informed that you have knowledge of a satisfactory course for one to pursue who has been injured by fluorine, either from fumes or because of eating foods high in fluorine content.

I have been informed by Dr. Garfield Bunc
330 309th St Phila Pa that I have had one or more acute attacks of Fluorine Intoxication but do not as yet have Chronic Fluorine Poisoning. Other folks here are having difficulty also as enclosed copy of blood analysis will indicate. Any suggestions from you will be appreciated.

Yours truly Willard B. Kille
